

PUBLIC WORKSHOP

ATLANTIC ROAD

Potential new street design

4.00 pm on Tuesday 14th February 2017 at the Dogstar, 389 Coldharbour Lane
or 6.30 pm on Wednesday 15th February 2017 at International House, Canterbury Crescent, Brixton

Please register for this free event at www.lambeth.gov.uk/AtlanticRoad

With refreshments provided by Healthy Eaters and Miss Cup Cake

Who we are

Lambeth Council is working with the Brixton Bid, Brixton Neighborhood Forum, Brixton Society and Metropolitan Workshop – the architects for the Somerleyton Road development – on ideas for how to improve the layout of Atlantic Road.

Why we're doing it

Atlantic Road is an historic and important street for many shops, market traders and businesses that serve the local and wider community. It is used by delivery vehicles, shoppers, residents, visitors, Brixton Railway station, the 322 bus route, general traffic and cyclists. The street can be congested with cars, vans, lorries, buses and cyclists, and the narrow pavements can be crowded. This can make it difficult for businesses, intimidating for pedestrians and cyclists, and confusing for visitors.

What we're doing

We would like everyone who uses Atlantic Road to get involved in deciding how the street can work better for them and the town centre. A new layout could improve loading and unloading for shops, market traders and businesses, widen the pavement for pedestrians, make it easier to wait for the bus, and improve conditions for cyclists.

How you can have your say

As well as meeting local shops, businesses and market traders, we are holding public workshops. We genuinely want the plans to reflect the needs of the local community so it's very important that you let us know your experience and ideas.

If you cannot attend either workshop, please email us at futurebrixton@lambeth.gov.uk or join the conversation on twitter [@futurebrixton](https://twitter.com/futurebrixton) #Atlantic

Thank you!
