

## Jamie and Jimmy are looking for food loving people who need inspiration for new ways of creating great feasts!

Are you looking to spice up outdoor cooking with something different?

Or maybe you want great fresh produce but don't have the space?

If you have an event coming up we can help make it a little bit more interesting.

Tell us your need and **Friday Night Feast** will try to come up with the perfect solution!

Prime-time Channel 4 series, Jamie and Jimmy's Friday Night Feast is back, but this time Jimmy is out to help YOU with a creative solution for your DIY food dilemmas and take your special occasion feasts to the next level.

If you are after a DIY Food Build to provide a feast for your event, or simply make your weekend family dinners more exciting, Jimmy is here to help!
