

# **BRIXTON**

## Neighbourhood Forum

### **Executive Meeting ZOOM Monday 17<sup>th</sup> August 2020 7pm**

**Present:** Alan Piper, Nick Weedon, Maria Thacker.

**Apologies:** Ken Floyde

**NW** Hosted and opened the meeting.

#### **BUDGET**

**NW** reported that BNF has a membership with **Locality** that has increased to £250 p/a, proposing that we should consider whether this is necessary or useful to the Forum. This year is already paid for. We should therefore utilise any **training/capacity** available through this membership.

**AP** suggested that there are more useful organisations we could subscribe to particularly **Directory of Social Change**.

#### **LFN BID**

**AP** displayed the bid (Sept-March) on screen. Discussion followed highlighting

- Conduct a survey to find out what members want
- Administration fees
- International House 3Space facility
- Voluntary time from NW, AP and KF to be counted
- 80 Twitter followers
- Budget for one meeting in the New Year
- Submit any expenses to NW

Mention was made as to the difficulties of Capacity Building during a Pandemic.....also to Car Free Zone feedback....also to duplicating effort.

We urged ourselves to consider questions for the impending survey....Would members like a virtual meeting? About what?

#### **GET BRIXTON**

**AP and MT** to read through paperwork from **Lambeth Council** pertaining to public events. Consideration and enquiry regarding Public Health and

Porta-loos ( we were hoping to use facilities at Vida Walsh Centre, for stall holders). **How do Herne Hill manage this? Can we use the library facilities?** We hope that the Council will not require Portaloos but if they do we need to get **some quotes in.**

## **ACTIONS**
